THE **CONNECT** CHAIR

The Connect Chair offers the ultimate in comfort, convenience and innovation. The range of optional attachments highlights Ramler's guest-centric focus and commitment to brand-standard durability and design.

POWER TO THE PEOPLE

The removable side tray features a high-capacity rechargeable power bank, allowing guests to keep their smartphones and tablets fully charged all day (cables not included).

VIP EXPERIENCE

Removable full-size padded armrests transform event seating into VIP furniture with an easy 'slide on and off' feature, while the Connect Chair's coat hook offers extra convenience.

HIGH DURABILITY

Specially designed for high-density traffic, the Connect Chair's range of stain-resistant fabrics, commercial-grade foam and powder-coated frame is standard across Ramler's high quality banquet furniture.

UTMOST COMFORT

The Connect Chair's contoured seat and flex back design provides ergonomic support for a perfectly relaxed posture, whether sitting through a lengthy presentation, or enjoying a banquet meal at a special function.

FLEXIBLE BACKREST

Ergonomic lumbar support provides comfort for various seating positions.

STACKING PAN

- Allows stacking to 10 high
- Protects fabric and foam from stacking indentation.

RETRACTABLE GANGING

- Integrated interlocking mechanism keeps the chair in neat and uniform rows
- Provides additional support for side charging tray with power bank
- Minimum profile for clean aesthetics

ACCESSORIES

ARMREST RACK

- Stores 40 pairs of arms
- Fully welded steel trolley
- Powder coated finish
- Heavy-duty non-marking casters

CHAIR TROLLEY

- Foot rest to minimise required user leverage
- All welded powder-coat steel frame
- Heavy-duty casters
- Commercial grade carpeted protection pads

MOBILE TRAY RACK

- Easily stores 20 trays
- Power bank batteries recharged on mobile cabinet charging dock
- Carpet-lined for tray protection
- Heavy-duty casters
